

Mountain Creek Prays 10 Week Prayer Guide

This prayer guide is designed to help you focus your prayers onto your prayer warrior's needs each week. While this guide will give you direction in your prayers, the prayers themselves are completely your own. You will be asking God to build up seven characteristics in your warriors: Courage, Maturity, Humility, Wisdom, Thankfulness, Faith, and Love. A passage of Scripture is provided each day for you to meditate on both while you pray and throughout the day. As the guide reminds you, take the time to talk to your warriors at every opportunity you have; you picked them for a reason! May God hear your prayers, and bless both you and your prayer warriors through this effort.
